REPORT ON EXTENSION ACTIVITIES - 2017-18

Date: 01-11-2018

Name of the Activity: Role of Human Values in 21st Century

Agency: National Service Scheme

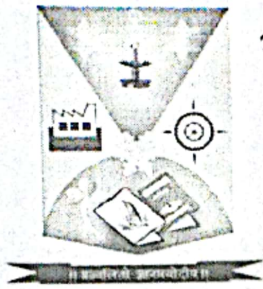

Resource Person: Dr. M. Srinivas Reddy, Principal, VCP

Date of the Activity: 31-10-2018

Vaageswari college of Pharmacy and the NSS cell conducted a program on "**Role of Human Values in 21 Century**" on 31-10-2018 at our college. Our Secretary Sir and Principal graced the occasion. Management members, Principal, all head of the departments, staff members and students have participated in this program. The 21st century promises to be a time of scientific and technological growth at a level never before experienced in human history. The values must be of the people, for the people and by the people. They must embrace common moral decencies such as altruism, integrity, freedom, justice, honesty, truthfulness, responsibility, compassion, and must reflect the normative standards human beings discover and develop through living together. Our values are important because they help us to grow and develop. They help us to create the future we want to experience. Every individual and every organization are involved in making hundreds of decisions every day. Our values inform our thoughts, words and actions. Values reflect our sense of right and wrong. They help us grow and develop. They help us create the future we want. The decisions we make every day are a reflection of our values.

REPORT ON EXTENSION ACTIVITIES - 2017-18

Date: 20-12-2018

Name of the Activity: Sabaja Yoga-Today's Maha Yoga

Agency: National Service Scheme

Resource Person: E. Raja Shekar (Art of Living Faculty)

Date of the Activity: 18-12-2018

Vaageswari college of pharmacy with the help of NSS cell arranged a program on "Sabaja Yoga - Today's Maha Yoga" on 18-12-2018 in our college by considering the mental and spiritual wellbeing of the students. Sabaja Yoga is a form of meditation and spiritual practice founded by Shri Mataji Nirmala Devi in 1970. It aims to achieve inner peace and balance by awakening the dormant spiritual energy within every individual, called Kundalini. The practice involves sitting in a comfortable position, closing the eyes, and focusing on the present moment while allowing the Kundalini energy to rise and bring about a state of thoughtless awareness.

The term "Maha yoga" can refer to different things depending on the context. In Hinduism, it can refer to a specific type of yoga practice that focuses on developing mental and spiritual powers. In Sabaja Yoga, the term is sometimes used to describe a state of self-realization and connection with the divine.

Overall, Sabaja Yoga promotes the idea of unity and respect for all religions and cultures. It emphasizes the importance of living in harmony with oneself, others, and the environment. While it is a relatively niche practice, it has a dedicated following around the world and has been recognized for its potential health benefits, such as reducing stress and anxiety. More than 100 students got benefited by learning

REPORT ON EXTENSION ACTIVITIES - 2021-22

Date: 16-03-2022

Name of the Activity: Pradhan Mantri Jan Aushadhi Yojana

Agency: National Service Scheme

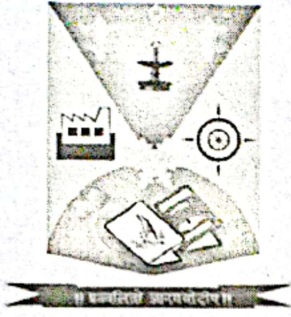

Date: 15-03-2022

The **Pradhan Mantri Jan Aushadhi Yojana** (PMJAY) is an initiative by the Indian government to make quality generic medicines available at affordable prices to the common people, especially the underprivileged sections of society. The scheme was launched on July 1, 2015, and has been implemented in various parts of the country through Jan Aushadhi Kendras.

The Vaageswari college of Pharmacy with the help of Pharmacy Practice Faculty members and NSS unit conducted an awareness program on Pradhan Mantri Jan Aushadhi Yojana on 15th March 2022. The main objective of our NSS activity was to create awareness about the PMJAY scheme among the people in our community. It was aimed to encourage them to buy generic medicines from Jan Aushadhi Kendras and help them save money on healthcare expenses. Students of Pharm D visited local hospitals and pharmacies to distribute the posters to doctors and pharmacists. They also interacted with the patients and their attendants to inform them about the PMJAY scheme and the availability of generic medicines at Jan Aushadhi Kendras. And provided them with the contact details of the nearest Jan Aushadhi Kendra and encouraged them to visit the store and buy generic medicines. From college we found this NSS activity to be a rewarding experience. We were able to make a positive impact on our community by creating awareness about the PMJAY scheme and its benefits. We believe that such initiatives can help in improving the accessibility and affordability of healthcare services for the underprivileged sections of society. More than 30 students were actively taken

REPORT ON EXTENSION ACTIVITIES - 2021-22

Date: 28-07-2022

EVENT NAME: Haritha Haram

AGENCY: National Service Scheme

DATE OF THE ACTIVITY: 27-07-2022

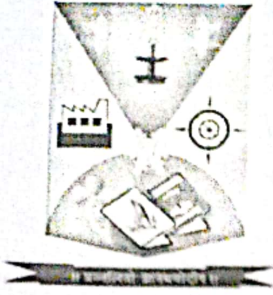

Haritha Haram is a flagship program of the Government of Telangana, India, launched in 2015. The program aims to increase the green cover in the state by planting and protecting millions of saplings across the state. The program aims to increase the forest cover and improve the overall environment of the state.

Vaageswari College of pharmacy conducted **Haritha Haram program** under NSS activity on **27th July 2022** on this note college management explained the participants on the objectives of the program as follows:

- Raising awareness about the importance of forests and trees in the environment.
- Involving local communities and stakeholders in planting and protecting trees.
- Improving the livelihood of people through afforestation programs.
- Developing and maintaining nurseries to provide saplings for plantation programs

The Haritha Haram program is implemented at college in three phases including Pre-plantation activities, Plantation activities and Post-plantation activities: This phase includes the maintenance and protection of saplings to ensure their survival and growth. This involves activities such as watering, weeding, and fencing.
