University of Mumbai

About the University of Mumbai

The University of Mumbai (earlier known as the University of Bombay) is one of the oldest and premier universities in India. It was established on 18th July 1857. It is one of the first three universities in India, including Calcutta and Madras.

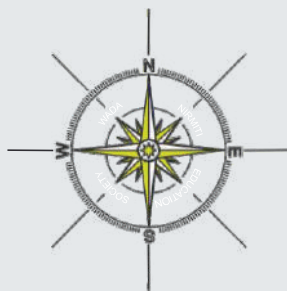

It has been accredited with Five Star status by NAAC and the University with Potential for Excellence Award by UGC.

The University of Mumbai has two campuses having an area of 230 acres at Kalina, Santacruz (East), and 13 acres at Fort. Around 650 affiliated colleges and 55 Departments with an enrolment of

7.5 lack students are engaged in the teaching-learning process. It has established its name in industrial collaboration and runs various professional courses. The University is leading at the national level in sports, cultural, and other activities.

Mumbai University has worldwide recognition. It is well-known for its quality of education. The Graduation syllabus is updated every 5 years.

WADA COLLEGE OF MANAGEMENT & SCIENCE is one of the well-known Colleges affiliated to the University of Mumbai.

Wada Nirmiti Education Society

Shri. Pramod Patil
Member

extend a warm welcome to all prospective students & well-wishers of our College.

Education, which has always played an important role in the life of man, has gained a lot of importance in the present time because it determines your success today. The current developments have brought forth a variety of new avenues, fields, areas, and opportunities which is an ideal situation for those who want to work hard for self-satisfaction and high earning.

Wada College of Management & Science is an institution that aims at the complete development of the student moreover our staff are hand-picked and trained to ensure that the students are given every possible support in all their endeavors and academics. It is a multi-disciplinary institution and this also ensures that the students have ready access to a wide range of academic material.

The comfort and health of the student community, both mental and physical, are given utmost importance. A student of Wada College of Management & Science will lack nothing in terms of support from the management and staff. We aim to lend a gentle guiding hand so that our students recognize their inner potential and grow.

Sports and other co-curricular activities are encouraged and the students are given every form of support to develop their talents in all fields. Our brand of education does not have narrow horizons, we believe in exposure. Our students are encouraged to widen their knowledge base and study beyond the confines of the syllabus.

In this age of technology, knowledge is just a click away and we ensure that every student of the college has only the best of technology at his/her disposal. Technology is changing and changing for betterment only, making lives simpler and easy to live, processing faster, aiding in decision-making, converting luxuries to affordability, and making the impossible seem possible. Our college is an attempt to serve the ends of technological and management excellence which has been the desire of mankind for centuries. We are having, **(1)B.Sc. Information Technology, (2)B.Sc. Computer Science, (3)B.M.S., (4)B.M.M., (5)B.Sc. - Hospitality Studies, (6)B.Sc.(CBZ / PCM), (7)B.Com**

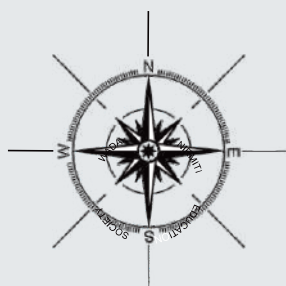

(Accounting & Finance), (8) M.Sc. -(IT) & (9)B.Sc.-Data Science which are affiliated to the University of Mumbai as well as YCMOU's proposed (10) BCA, (11)MCA, (12)MBA, branches in our college with the best of staff, faculties and facilities to impart technical excellence to our students.

Wish you good luck!

Thank you & Regards

Wada College of Management & Science

Wada College of Management & Science

Principal desk

Dear Students and Colleagues

It is an honor and privilege to be the Principal of Wada College of Management & Science, affiliated to the University of Mumbai. The college is located in the tribal area. It is committed to bringing professional education to the doorstep of the students of tribal and other disadvantaged communities of the region. It is the first professional institute in Wada Taluka of Palghar district in Maharashtra.

Dr. Anjan Kumar Sahay
Principal

The college, which started its journey in 2010-11, has made great strides in a brief span of merely six years. Initially, it offered only three programs **B.Sc. (IT), B.Sc. (C.S.) & BMS** with merely 100 students. By the year 2016-17, three more programs were started and the number of students swelled to 427. The college further proposes to start a couple of new programs from the new academic year 2017-18. In addition to the university-sponsored programs, the college conducts eight curriculum enrichment courses free of cost. Our curriculum enrichment programs are industry-oriented and based on best global practices. These courses are designed by the college to make the students job-ready professionals.

Here at the college, we are taking care of all-around personality development leading towards an excellent career by paying personal attention to every individual student. Mentoring of students by teachers is one of the main features of the college. The college organizes guest lectures, seminars, and conferences quite often for proper grooming and all-around development of students and faculty as well. The college Management takes special care for the promotion of research culture in the college. Teachers are sponsored minor research projects by the college and also by the industries located nearby. The students are also encouraged to write minor research projects. In many cases of students' research, the college management provides financial assistance.

The college has entered into a tie-up with DELNET, which provides a large network of our library resources. The college library is fully computerized. The NSS wing of the college conducts several co-curricular and extension activities throughout the years. The college is registered with the Department of Lifelong Learning and Extension of the University of Mumbai for grooming the students to learn practical skills to make them self-reliant.

Our vision is to create future leaders who manage and create powerful organizations in the emerging corporate landscape. Various pedagogic tools help our students develop not only a holistic business perspective but also an ability to seize opportunities in a competitive business environment. At the same time, they remain committed to the betterment of the society. The college is working towards equipping future business leaders and rendering them capable of responding to challenges in emerging markets. Industry-Institute-Interface is an important ingredient in the training process. The Placement Cell of the college under the supervision of competent and sincere faculties conducts several training programs and organizes campus interviews for the deserving students.

I wish to see my students the great leaders of the nation in every field. I would equally call upon all our faculty members to create new milestones in the field of learning through their research, innovations, and service to the nation.

Dr. Anjan Kumar Sahay
Principal

Wada College of Management & Science was established in July 2010. WCMS is the first Professional College of Management & Technology in Wada Taluka. It offers three years of Degree Courses, in B.Sc. Information Technology, B.Sc. Computer Science (B.Sc. Hospitality studies, B.Sc.(CBZ/PCM), B.Sc. Data Science) B.Com. Accounting & Finance & Bachelor of Management studies M.Sc. IT(Information technology), B.A(Bachelor of Arts)

Our Vision

To emerge as a one-stop destination for all RURAL & TRIBAL students of Thane & Palghar District to fulfill their dreams in the field of their choice and transform them into thorough professionals and a good human being.

Our Mission

To create and develop the facilities and environment required to provide students higher education which shall ultimately facilitate gainful employment

To conduct programs and activities that will instill a sense of social commitment among the students and help them to become responsible citizens of the nation.

To initiate industry/organization linkages/collaborations with the view to continuously train and groom the students and college staff members

Our Objectives

- 1) Promote quality education with proper facilities and services to students.
- 2) Conduct activities that will inculcate the value of hard work in the students.
- 3) Inspire students to use their knowledge as an instrument of social change.
- 4) Contribute to the personality development of the student.
- 5) Provide skill-based education by offering a spectrum of courses.
- 6) Run All Round Education Development Programme for needy & tribal students.
- 7) Provide vocational guidance and training to the students.
- 8) Assist students to avail of free-ship, scholarship, and monetary aid for books and stationery.
- 9) Plan and implement welfare activities for students to create self-reliance among them.
- 10) Encourage pedagogy of a participatory nature.
- 11) Motivate teachers to participate in workshops/conferences and in research work.
- 12) Provide support to staff members for their overall personal and professional welfare.
- 13) Promote extension activities and involve the community in fulfilling social responsibilities.
- 14) Appoint sub-committees of staff members to effectively implement various activities.
- 15) Reach out to the community around the college in areas such as health, environment, and social issues.

01. Dr. Anjankumar Sahay/ Principal - WCMS.
02. Shri. Harshad Gandhe, Civil Engg, Member Secretary.
03. Shri. Omprakash Sharma, Honorary Executive Member.
04. Shri. Ranjit Wankhede, MCA, Dir, JPMorgan, Australia.
05. Shri. Sandip M. Pawar, Honorary Executive Member.
06. Dr. Hemant Sawara, MBBS, FCTS, D Artho.
07. Ar. Rupesh Thakare, B.Arch., Director - VISION Architects.
08. Prabhu Shri. Roop Raghunathdas ji, Honorary Executive Member.
09. Shri. Pramod Patil, Member

ELIGIBILITY CRITERIA:

Minimum Qualification: - HSC (XII Std.) with Mathematics or Statistics and should have secured not less than 45%marks in aggregate for open category and less than **40% marks in aggregate in case of reserved category candidates.** Candidates who have passed Diploma Engineering from a recognized Board of Technical Education are eligible for direct admission to the Second Year of the B. Sc. IT degree course, with a minimum of 45% marks required in aggregate for open category and 40% marks in aggregate for reserved category candidates.

SYLLABUS: First Year & Second Year B.Sc. (IT) / Semester I,II, III, IV

First Year B.Sc. (IT) -Semester I 1. Introduction to cultural activities 2. Introduction to communication skills-I 3. Foundation of Behavioural skills (Basic Level) 4. Indian Knowledge system 5. Introduction to commerce and Business 6. Programming with C 7. Database Management system 8. Combinational and Sequential Design 9. Office tools for Data management 10. Entrepreneurship management 11. Practical I (Programming with C & DBMS)	First Year B.Sc. (IT)- Semester II 1. OOps with C++ 2. Web Designing 3. Assembly Language Programming 4. Web Programming 5. IT Fundamentals of Python Programming 6. Introduction to Capital Market of India 7. Marketing Mix –II 8. Mudrit madhyamasathi lekhan kaushalya 9. Extension Work 10. Fundamentals of people's Skills 11. Practical II (Oops & Web Designing)
Second Year B.Sc. (IT) Semester III 1. Python Programming 2. DATA STRUCTURES 3. Operating System 4. Major Practical 3 5. APPLIED MATHEMATICS 6. Web Design & Development 7. Web Design & Development Practical 8. Environmental Conservation and Sustainable Development I 9. Lekhan kaushalya-2 (Mahajalavaril Lekhan) 10. Indian Theatre: Classical Roots and Contemporary Expressions 11. Field Project	Second Year B.Sc. (IT) Semester IV 1. Core Java 2. Software Engineering 3. Computer Networks 4. Advance Python for Data Science 5. Data Analysis with SAS / SPSS /R 6. Environmental Management & Sustainable Development – II 7. Computer Graphics 8. Introduction to communication skills in English II 9. CEP – Community Engagement Programs 10. NSS 11. Major Practical 4
Third Year B.Sc. (IT) Semester V 1. Software Project Management 2. Internet of Things 3. Advanced Web Programming 4. Enterprise Java 5. Linux System Administration	Third Year B.Sc. (IT) Semester VI 1. Software Quality Assurance 2. Security in Computing 3. Business Intelligence 4. Geographic Information Systems 5. IT Service Management

Credit Based Evaluation System

Scheme of Examination

The performance of the learners shall be evaluated into two components. The learner's Performance shall be assessed by Internal Assessment with 25% marks in the first component by conducting the Semester End Examinations with 75% marks in the second component. The allocation of marks for the Internal Assessment and Semester End Examinations are as shown below: -

Internal Assessment - 25%

25 marks.

A) Theory

25 marks

Sr. No.	Evaluation type	Marks
1.	One Class Test*	20
2.	Active participation in routine class instructional deliveries Overall conduct as a responsible student, manners, skill in articulation, leadership qualities demonstrated through organizing co-curricular activities, etc.	5

Semester End Examination-

Undergraduate Programs of F. Y. B. Sc. and S. Y. B. Sc.

b) Semester End Theory Assessment - 75% (75 marks)

1. Duration - These examinations shall be of 2.5 hours duration.
2. Theory question paper pattern: -
 - i. There shall be four questions.
 - ii. On each unit there will be one question & the fourth question will be based on the entire syllabus.
 - iii. Questions number 1,2 and 3 will be of 20 marks each (40 marks with internal options), while Question 4 will be of 15 marks (30 marks with internal options).
 - iv. All questions shall be compulsory with internal choice within the questions.
 - v. Questions may be sub divided into sub-questions as a, b, c, d & e, etc.& the allocation of marks depends on the weightage of the topic.

Undergraduate Programs of T. Y. B. Sc.

b) Semester End Theory Assessment - 75% (75 marks)

1. Duration - These examinations shall be of 2.5 hours duration.
2. Theory question paper pattern: -
 - i. There shall be 5 questions each of 15 marks (30 marks with internal option)
 - ii. On each unit there will be 1 question & 5th question will be based on the entire syllabus.
 - iii. All questions shall be compulsory with internal choice within the questions.
 - iv. Questions may be subdivided into sub-questions as a, b, c, d & e, etc. & the allocation of marks depends on the weightage of the topic.

Passing Standard:

The learners to pass a course shall have to obtain a minimum of 40% marks in aggregate for each course where the course consists of Internal Assessment and Semester End Examination. The learners shall obtain a minimum of 40% marks (i.e., 10 out of 25) in the Internal Assessment and 40% marks in the Semester End Examination (i.e., 30 out of 75) separately, to pass the course and a minimum of Grade E in each project, wherever applicable, to pass a particular semester. A learner will be said to have passed the course if the learner passes the Internal Assessment and Semester End Examination together.

PRACTICALS: End Semester Exam, each Subject 50 Marks practical Examination

***Note: Question Paper Pattern for Periodical Class Test for Courses at UG Program Written Class Test (20 Marks)**

1.	Match the Column / Fill in the Blanks / Multiple Choice Questions (½ Marks each)	05 Marks
2.	Answer in One or Two Lines (Concept Questions) (1 Mark each)	05 Marks
3.	Answer in Brief (Attempt Any Two of the Three) (5 Marks each)	10 Marks

Note: As per the previous ordinance there will not be any internal examination for practical.

✦ B.Sc. - Computer Science.

First Year B.Sc. Computer Science / Semester I

1. Digital System & Architecture
2. Introduction to Programming with Python
3. Fundamentals of Database Systems
4. Statistics with R programming
5. Entrepreneurship Management
6. Introduction to Cultural Activities
7. Introduction to Communication Skill
8. Foundation of Behavioral Skills- Basic Level
9. Indian Knowledge system
10. Introduction to Commerce
11. Practical- 1 (COMPUTER SCIENCE)

First Year B.Sc. Computer Science / Semester II

1. Design & Analysis of Algorithms
2. Object Oriented Programming
3. Programming With Python
4. Web Technologies
5. Advanced Python Programming
6. Marketing Mix-II
7. Introduction to the capital market of India
8. Mrudit madhyamansathi lekhan kaushalya
9. Extension Work
10. Fundamental of people skills
11. Computer Science Practical - II

Second Year B.Sc. Computer Science / Semester III

1. Data Analytics tools
2. Introduction to Big Data
3. Principles of Operating Systems
4. Theory of Computation
5. Data Structures
6. Computer Science Practical 3
7. Java Programming
8. Environmental Conservation and Sustainable Development I
9. Lekhan kaushalya-2 (Mahajalavaril Lekhan)
10. Indian Theatre: Classical Roots and Contemporary Expressions
11. Field Project

Second Year B.Sc. Computer Science / Semester IV

1. Advance Python for Data Science
2. Data Analysis with SAS / SPSS /R
3. Computer Networks (TH)
4. Software Engineering (TH)
5. IoT Technologies (TH)
6. Computer Science Practical 4 (PR)
7. Mobile Application Development
8. Environmental Conservation and Sustainable Development II
9. Introduction to Communication Skills in English II (B.Sc)
10. National Service Course (Youth and Disaster Management)
11. Community Engagement Projects (CEP)

Third Year B.Sc. Computer Science / Semester V

1. Artificial Intelligence
2. Architecting of IoT
3. Software Testing and Quality Assurance
4. Information and Network Security
5. Game Programming

Third Year B.Sc. Computer Science / Semester VI

1. Wireless Sensor Networks and Mobile Comm.
2. Cloud Computing
3. Information Retrieval
4. Digital Image Processing
5. Ethical Hacking

Applied Component Subjects: - Web Designing Technology & .NET Technology

Paper I - Principal of Web Designing and Web Technologies

Paper II - .NET Technology

The combination of subject at the B.Sc. Computer Science will be decided by the college

Scheme of Examination

The performance of the learners shall be evaluated into two components. The learner's Performance shall be assessed by Internal Assessment with 25% marks in the first component by conducting the Semester End Examinations with 75% marks in the second component. The allocation of marks for the Internal Assessment and Semester End Examinations are as shown below: -

Internal Assessment - 25%

25 marks.

a) Theory

25 marks

Sr. No.	Evaluation type	Marks
1.	One Class Test*	20
2.	Active participation in routine class instructional deliveries Overall conduct as a responsible student, manners, skill in articulation, leadership qualities demonstrated through organizing co-curricular activities, etc.	5

Semester End Examination-

Undergraduate Programs of F. Y. B. Sc. and S. Y. B. Sc.

b) Semester End Theory Assessment - 75%

75 marks

1. Duration - These examinations shall be of 2.5 hours duration.
2. Theory question paper pattern: -
 - i. There shall be four questions.
 - ii. On each unit there will be one question & the fourth question will be based on the entire syllabus.
 - iii. Questions number 1,2 and 3 will be of 20 marks each (40 marks with internal options), while Question 4 will be of 15 marks (30 marks with internal options).
 - iv. All questions shall be compulsory with internal choice within the questions.
 - v. Questions may be subdivided into sub-questions as a, b, c, d & e, etc.& the allocation of marks depends on the weightage of the topic.

Passing Standard:

The learners to pass a course shall have to obtain a minimum of 40% marks in aggregate for each course where the course consists of Internal Assessment and Semester End Examination. The learners shall obtain a minimum of 40% marks (i.e., 10 out of 25) in the Internal Assessment and 40% marks in the Semester End Examination (i.e. 30 out of 75) separately, to pass the course and a minimum of Grade E in each project, wherever applicable, to pass a particular semester. A learner will be said to have passed the course if the learner passes the Internal Assessment and Semester End Examination together.

B.Sc. - Data Science.

About B.Sc Data Science:

B.Sc Data Science courses in India is a three-year long course. According to Wikipedia, "Data science is an interdisciplinary field that uses scientific methods, processes, algorithms and systems to extract knowledge and Insights from noisy, structured and unstructured data, and apply knowledge and actionable insights from data across a Broad range of application domains.

Eligibility Criteria for B.Sc Data Science Course

B.Sc Data Science admission is possible if the students ensure that they meet the eligibility criteria. The B.Sc Data Science eligibility criteria include that they must complete their 10+2 from a recognized board. Additionally, top B.Sc Data Science colleges in India conduct entrance exams for admission. There is no age limit for B.Sc Data Science admission.

SYLLABUS: First Year, Second Year & Third Year B.Sc. Data Science

First Year B.Sc. Data Science / Semester I	First Year B.Sc. Data Science / Semester II
1. Python Programming 2. Descriptive statistics 3. Excel for business 4. Office tools for data scientists 5. Introduction to commerce 6. Entrepreneurship management 7. Introduction to communication skills 8. Introduction to cultural activities 9. Indian knowledge system 10. Foundation of behavioral skills- basic level 11. Practical 1 (data science)	1. Advanced python programming 2. Database management systems 3. Practical II- Advanced python & DBMS 4. DS_Descriptive Statistics 5. Discrete Mathematics 6. Web technology 7. Marketing mix – II 8. Introduction to the capital market of india 9. Mudrit madyamansathi lekhan kaushalya 10. Extension work 11. Fundamental of people skills
Second Year B.Sc. Data Science / Semester III	Second Year B.Sc. Data Science / Semester IV
1. Design and Analysis of Algorithms 2. Data Warehousing 3. Data Mining 4. Design and Analysis of Algorithms and Data Warehousing & Mining Practical 5. Linear Algebra 6. Web Design & Development 7. Web Design & Development Practical 8. Environmental Conservation and Sustainable Development I 9. Lekhan kaushalya-2 (Mahajalavaril Lekhan) 10. Indian Theatre: Classical Roots and Contemporary Expressions 11. Field Project	1. Big Data 2. Artificial Intelligence 3. Machine Learning 4. Big Data & AIML Practical 5. Mojo 6. Open Source Database : MySQL 7. Open Source Database : MySQL Practical 8. Environmental Conservation and Sustainable Development II 9. Introduction to Communication Skills in English II (B.Sc) 10. National Service Course (Youth and Disaster Management) 11. Community Engagement Projects (CEP)
Third Year B.Sc. Data Science / Semester V	Third Year B.Sc. Data Science / Semester VI
1. Computer Vision 2. Data Engineering 3. Robotic Process Automation 4. Campus to Corporate 5. Marketing and Retail Analytics 6. Data Visualisation with Tableau	1. Machine Learning 2. Exploratory Data Analysis 3. Internet of Things 4. Applied Business Analytics 5. Data Governance 6. Project Implementation

Career Prospects and Job Scope for B.Sc. Data Science

The career after a B.Sc. in Data Science for graduates is available in large abundance owing to the diversity and relevance of the education that they receive. The B.Sc. Data Science salary in India is also very rewarding. The B.Sc. Data Science course is designed to ensure that the students can find rewarding jobs for themselves.

Listed below are some of the jobs after B.Sc. Data Science:

- Data Architect
- Data Administrator
- Business Intelligence Manager
- Data Scientist
- Data Analyst
- Data Architect

B.Sc.

First Year B.Sc. / Semester I	First Year B.Sc. / Semester II
1. Plant Science and Human Welfare 2. Practical-I (BOTANY-Plant Science and Human Welfare) 3. Indoor Gardening 4. Tools and Techniques in plant sciences 5. Life Processes 6. Practical Based on Life Processes 7. Commerce-I(Introduction o Business) 8. Accountancy & Financial Management –I 9. Introduction o Communicaation Skills (B.Sc) 10. Indian Knowledge System	1. Cytogenetics, cology and Environment Conservation 2. Practical II (Vascular plant,Cytogeneetics and Environment Conservation) 3. Ecology and Biodiversity 4. Practical based on MJ2 (Ecology and Biodiversity) 5. Poultry Science 6. Fish value added products 7. Introduction o Service Sector 8. Fundamentals of Management- II

Second Year B.Sc. / Semester III	Second Year B.Sc. / Semester IV
1. Cell Biology 2. Biochemistry 3. Laboratory Exercises on Cell Biology and Biochemistry 4. Cytology	1. Integrated Approaches in Plant Sciences II 2. Practical in Plant Sciences II 3. Genetics 4. Molecular Biology

Third Year B.Sc. / Semester V	Third Year B.Sc. / Semester VI
1. Zoology: Taxonomy-Invertebrates & Type Study Theory 2. Zoology: Haematolo & Immunology Theory 3. Zoology: Histology, Toxicology, Pathology & Biostatistics Theory 4. Zoology: Anatomy & Developmental Biology	1. Zoology: Taxonomy-Chordates & Type Study 2. Zoology: Physiology &Tissue Culture 3. Zoology: Gentics & Informatics 4. Zoology: Environmental Biology & Zoopharma

ELIGIBILITY CRITERIA

Candidate for being eligible for admission to the BMS degree course shall have passed XIIth std. Examination of the Maharashtra Board of Higher Secondary Education or its equivalent examination or Diploma in Engineering branches.

No college shall conduct any entrance test, While drawing a merit list, weightage has to be given to students from the Arts, commerce, and Science streams at the 12th standard level. The stream-wise weightage is as follows ;

Stream	Commerce	Arts	Science	Diploma in Engineering & Others
Percentage	45%	25%	25%	5%
Seats as %	27	15	15	3

SCHEME OF EXAMINATION (Credit-Based Grading System):

The performance of the learner will be evaluated in each in the following manner

The internal assessment of 40% for each course will be as follows along with an external assessment of 60% for each subject (Semester-end examination 60 marks):

First Year	
Semester I	Semester II
1. Principles of Management I	1. Principle of management II
2. Bharti a theory of management styles	2. Global management theories & styles
3. Marketing mix I	3. Industry & service Management I
4. Case studies in management	4. Marketing Mix II
5. Information technology in business management	5. Leadership Management
6. Business communication skills	6. Foreign exchange market and derivatives
7. Business start-up Skills	7. MS Office
8. Introduction to cultural activities	8. mudrit madhyamansathi lekhan kaushalya
9. Indian knowledge system	9. Extension work
10. Foundation of behavioral skills- basic level	10. Fundamental of people's Skills

Second Year	
Semester III	Semester IV
1. Introduction Marketing Management	1. Customer Relationship Management
2. Marketing research	2. Ad Making
3. Industry & Service Management (II) Strategic Financial Management	3. Retail Marketing
4. Consumer behaviour	4. Accounting & Finance paper - III
5. Environmental Conservation and Sustainable Development	5. Business Communication Skills-II (B.M.S.)
6. Lekhan kaushalya-2 (Mahajalavaril Lekhan)	6. Community Engagement Programme
7. Indian Theatre: Classical Roots and Contemporary Expressions	7. Environmental Conservation and Sustainable Development II
8. Field Project	8. National Service Course (Youth and Disaster Management)

Third Year

SEMESTER V

1. Logistics & Supply Chain Management
6. Project Work I

MARKETING SPECIALIZATION GROUP

1. Services Marketing
2. E-Commerce & Digital Marketing
3. Sales & Distribution Management
4. Customer Relationship Management

SEMESTER VI

1. Operation Research
2. Project Work II

FINANCE SPECIALIZATION GROUP

4. Risk Management
5. International Finance
6. Innovative Financial Services
7. Project Management

MARKETING SPECIALIZATION GROUP

4. Brand Management
5. Retail Management
6. International Marketing
7. Media Planning & Management

Credit Based Evaluation System

Scheme of Examination

The performance of the learners will be evaluated in two Components. One component will be the Internal Assessment component carrying 25% marks and the second component will be the Semester-wise End Examination component carrying 75% marks. The allocation of marks for the Internal Assessment and Semester End Examinations will be as shown below: -

a) Internal Assessment 25%

25 Marks

For Courses without Practical.

Sr. No.	Particulars	Marks
1.	One Class Test*	20
2.	Active participation in routine class instructional deliveries and overall conduct as a responsible learner, mannerism and articulation and exhibit of leadership qualities in organizing related academic activities	05

For Courses with Practical

Sr. No.	Particulars	Marks
1.	Semester End Practical Examination	20 Marks
	Journal	
	Viva	
	Laboratory Work	
2.	Active participation in routine class instructional deliveries and overall conduct as a responsible learner, mannerism and articulation and exhibit of leadership qualities in organizing related academic activities	05 Marks

b) Semester End Examinations 75%

75 Marks

i) Duration These examinations shall be of 2.5 Hours duration

ii) Theory question paper pattern (1) There shall be five questions each of 15 marks. (2) All questions shall be compulsory with internal choice within the questions. (3) Question may be subdivided into sub-questions a, b, c...and the allocation of marks (4) Depends on the weightage of the topic.

B.Sc. - Hospitality Studies (Hotel Management)

ELIGIBILITY CRITERIA:

Minimum Qualification: - A candidate for being eligible for admission to the Degree Course in Hotel and Tourism Management shall have to pass XII Standard Examination of any State Board or its equivalent and secured not less than 50% marks in the aggregate (45% marks in the case of Backward Class candidates)

A candidate who has already passed his/her Three Year Diploma in Hotel Management from any recognized Board in India or abroad, he/she will be admitted directly to the Third Year of the B.H.T.M.S.* course to facilitate him/her to convert his/her Diploma into Degree.

SCHEME OF EXAMINATION (Credit Based Grading System)

The performance of the learners shall be evaluated into two components. The learner's Performance shall be assessed by Internal Assessment with 25% marks in the first component by conducting the Semester End Examinations with 75% marks in the second component. The allocation of marks for the Internal Assessment and Semester End Examinations are as shown below: -

Internal Assessment - 25% 25 marks.

a) Theory 75 marks

Semester End Examination-

Undergraduate Programs of F. Y. B. Sc. and S. Y. B. Sc.

Sr. No.	Evaluation type	Marks
1.	One Class Test*	20
2.	Active participation in routine class instructional deliveries Overall conduct as a responsible student, manners, skill in articulation, leadership qualities demonstrated through organizing co-curricular activities, etc.	5

B) Semester End Theory Assessment - 75%

75 marks

1. Duration - These examinations shall be of 2.5 hours duration.
2. Theory question paper pattern: -
 - i. There shall be four questions.

Learning Resource Centre/Library

The well-equipped library has a wide range of books & subscriptions to all the major newspapers, periodicals, and publications. The library will have members ranging from individuals to corporations.

Virtual learning Resource centre/ The computer library

Equipped with Pentium based workstations that are connected to various statistical and analytical packages, project management software, business environmental simulation software amongst others, the student's have to access to this excellent facility complemented by twenty four hour Internet connectivity.

State of art classroom

The batch has come up with a state-of-the-art training center having well well-equipped technology that can assist in high-quality education.

The Personality lab

A proper shaping of personality is a must for any manager to effectively utilize his potential at an optimal level. The Personality Lab was established to groom the manager on his personality and incorporate the requisite soft skills, which not only serve the student but also serve the corporate world.

Cope up sessions

As we realize that each student is unique and has his and her own set of difficult ties, we have introduced "COPE-UP" sessions

Report to the parents

The progress of the students is intimated and discussed with the parents and a continuous rapport is maintained between the management and the student.

Canteen

The on-campus canteen provides healthy and hygienic food at a reasonable cost.

ADMISSION GUIDELINE :

- * Parents and students are requested to go through the prospectus and admission notices put on the college notice boards before seeking admission to the college.
- * Admission is given as per merit and according to other norms laid down by the board, the university, the government, or the management from time to time.
- * The college or the management does not accept any donation or capitation fees for admissions.
- * The admission to the students is given as per the standard and transparent procedures. Any person approaching the students or parents for donation/capitation fees should be reported to the principal immediately.
- * The principal reserves the right to amend or modify the rules regarding admission, as and when such amendments and guidelines are received from the Board, the University, the Government, or the Management. The principal also reserves the right to refuse admission, if in his opinion such an admission is likely to adversely affect the overall discipline of the college.
- * Admission preference will be given to students who have passed the Eligibility qualification in the preceding academic year.

CAREER DEVELOPMENT & PLACEMENT

Training and Placement of students at Wada College of Management & Science is supported through Training and Placement cell at the group corporate level and at the college level. While the Corporate Training and Partnership Cell initiate Industry-Institute Partnership; the college unit works round the clock for effective placements of the students of the college.

Students had their Industrial project training at various companies, with its aim to prepare industry-ready professionals, The College has started a separate student development program as per the individual need of each student, this includes specially designed soft-skilled development programs with the help of expert agencies and active involvement of its own faculty members. These programs put special focus on increasing numerical & analytical ability, verbal communication, reasoning, and soft-skill development for each student. It is expected that the performance of students' placements would radically be augmented with the continuing student development programs being conducted at the college.
